

**Celebrate the Earth
PLANT A TREE**

Its FREE!

Celebrate the Trees in Your Community. Arbor Day is a nationally-celebrated observance that encourages tree planting and care. The village will be working with **Erehwon Mountain Outfitters**, located in the Shops of Kildeer Center, and would like to encourage you and your family to plant a tree this spring.

The village will be receiving **500-750 free oak tree saplings** (Red Oak & White Oak) to give away to residents & Erehwon customers. The OneMillionTree Project will be delivering the oak tree saplings for distribution in April.

The trees are 2 year old bare root oak seedlings that range in size from 12" – 24" tall. There will be 2 varieties to select: Red and White Oaks. Planting instructions will be included with each tree. A tree is wonderful way to celebrate or remember someone special in your life. Plant a tree or two this year. Each family may request 2 trees. More information on this project will posted on the village website soon.

For more information, please contact Barbara Stavropoulos at bstavropoulos@villageofkildeer.com.

Kildeer & NIKE Reuse-A-Shoe Recycling Program

Our village will be taking part in the Nike ReUSE A SHOE recycling program. Since it began in 1990, NIKE has collected over 25 million pairs of athletic shoes and turned the material into useful surfaces such as interlocking gym floor tiles, playground surfacing, and cushion sections for outdoor basketball and tennis courts.

Our goal will be to collect **200 pairs of athletic shoes**. Tentative collections dates will be from April 12th to May 10th. For more information on the NIKE Reuse-A Shoe Program go to www.nikereuseashoe.com. It's a great time to clean out the closets and walk your sneakers over to the village hall. Thank you for your support!

For more information, please contact Barbara Stavropoulos at bstavropoulos@villageofkildeer.com.

Got Electrics?

Best Buy & The Village of Kildeer will be sponsoring a 1- Day Community Wide Electronics Drop Off Event.

As part of an effort to help consumers recycle electronic devices in an environmentally sound manner, the village of Kildeer and the Best Buy in the Quentin Collection Shopping Center will be hosting an electronics E-cycling event.

Bring your old, broken or unused TVs, cell phones, computer equipment, cameras, video game controllers, calculators or any electronic devices for proper disposal. Please note that as of 2012, Waste Management will no longer be accepting electronic devices along with regular trash. All electronics will have to be disposed at proper recycling centers. More information and details about this event will be posted on the village website soon.

For more information, contact Barbara Stavropoulos at bstavropoulos@villageofkildeer.com.
